Old Business: none

Council Members:

Member Nicklay was asked by a resident if dog dump stations could be provided at the city park. Discussion took place and it was decided that because the city only has an employee work three mornings a week the dump stations would smell to much without being emptied daily.

Member Kiekbusch- working on an “activity group” but learning more about regulations setting one up very involved and we must see if there is enough interest by residents to help with such a committee first.

Member Putzier addressed the yearly garage sale dates to go along with Eyota- set dates this year for May 16 and 17th (Friday and Saturday). Will post on website and Facebook.

Citizen Dustin Bell showed up and discussed possible “car show” and a ball tournament for Dover’s July 3rd celebration. He proposed the car show from 4 to 9 PM on the 4th of July (first time late in the day due to the show in Stewartville) not sure how well that would work to block off main street. The ball tournament would be proposed for the morning of July 4th. It was decided before any decision the council would contact the businesses on the main street to get their input on blocking the main street on July 4th. Will discuss again next month.

Motion by Member Tyler and seconded by Member Kiekbusch to adjourn at 8:02 pm, the motion carried.
