The City of Dover will start “organized collection” of garbage/recycling on May 1st, 2025. The city reached an agreement with LRS to collect all garbage/recycling for residents of Dover as agreed upon by our agreement with LRS. If you are currently a customer of LRS, you will not have to change anything, your service will automatically be set up.

If you currently have a garbage collector other than LRS, please contact LRS at 507-281-5850 to set up your service and account.

Your current garbage collector should pick up their containers at no expense, during the transition period.

Thank you,

LRS- David Meyer
